Summary

Skilled Flutter Developer with hands-on experience in developing and maintaining high-performance mobile applications. Proficient in state management using Redux, UI/UX design principles, and API integration. Experienced in collaborating with backend teams to ensure smooth data flow and contributing to application architecture. Strong foundation in project management, agile methodologies, and tools like Git, Jira, and Firebase. Actively pursuing a B.Tech in Information Technology with a strong academic record.

Skills

Flutter, Git, Agile Methodology, Jira, Ui/Ux, Dart, Java, Node.js, Firebase, Github, Project Management, Team Management

Experience

Satat Tech LLP. | Ahmedabad, Gujarat
Flutter Developer Intern | 08/2023 - Present

Project : CheckTrack

CheckTrack is a comprehensive Human Resource Administration (HRA) management application designed to streamline and automate HR processes within organizations. The app provides a user-friendly interface for managing employee records, attendance, leave requests, payroll calculations, and TDS Calculations.

- Developed and maintained mobile applications using Flutter, ensuring seamless user experiences and high performance.
- **State Management:** Implemented Redux for efficient state management, improving application responsiveness and scalability.
- **UI/UX Laws:** Applied UI/UX design principles to create user-friendly interfaces that enhance user engagement and satisfaction.
- **MongoDB:** Utilized MongoDB for managing and storing application data, ensuring reliability and quick access to information.
- **API Integration:** Successfully integrated various APIs to expand application functionality and provide real-time data services.
- **End-to-End API Development:** Designed and implemented end-to-end API calling mechanisms, collaborating with backend teams to ensure smooth data flow and communication between the mobile application and server.
- **Architecture:** Worked closely with developers to understand and contribute to the architecture, ensuring a robust and scalable solution for the application.
- Gained expertise in various other tools and technologies, contributing to the overall success of projects.

Education

Silver Oak University | Ahmedabad, Gujarat
B.Tech Information Technology | 06/2025
CGPA : 9.26/10

Navyug Vidhyalaya | Viramgam, Gujarat
12th | 05/2021
Percentage : 79.6 %

Navyug Vidhyalaya | Viramgam, Gujarat
10th | 03/2019
Percentage : 78.33 %
